COUNCIL MEETINGS, 7 p.m., Omni-Centre
Next council meetings for 2019:

- April 9
- May 14
- June 11

MAJOR PROJECTS IN 2019

Each year, the Town of Pincourt makes the necessary investments to ensure its citizens' safety and quality of life. For 2019, the town's three-year plan provides for work and acquisitions totalling \$17 million, including the upgrade of Chemin Duhamel, construction of Chemin des Tours and reconstruction of the pool chalet.

POOL BASIN REHABILITATION AND RECONSTRUCTION OF THE OLYMPIQUE PARK CHALET

Initially, the main reason for initiating the work was to ensure the competition swimming pool depth was brought up to standard.

The pool chalet was also very old, and it was decided to review the building's layout. In the future, there will be two separate buildings: one reserved for lifeguards and the other dedicated to the mechanical room and locker rooms. The chalet will also feature more toilets and changing rooms than before. A family-accessible and adapted toilet will also be accessible near the swimming pool.

The swimming pool is set to reopen in June. However, due to weather conditions and unforeseen events, the opening could be delayed.

REHABILITATION OF CHEMIN DUHAMEL AND CONSTRUCTION OF THE CHEMIN DES TOURS

Starting in the spring, the Town of Pincourt will begin the reconstruction of Chemin Duhamel from 22nd Avenue to Bellevue Park.

Another project that will see the light of day is the construction of a new street, Chemin des Tours. This new street will be located between Impasse Dougan and 26th Avenue.

Since Chemin Duhamel is a one-way, Chemin des Tours will provide an additional alternative for residents to access Boulevard Cardinal-Léger more quickly.

This new road will also ease traffic, during summer, when finishing the reconstruction of chemin Duhamel between Impasse St-Pierre and 22nd Avenue.

YOUR TOWN ON THE MOVE

PINCOURT :

received the *Municipalité amie des enfants (MAE)* accreditation

In February, Pincourt received the *Municipalité amie des enfants (MAE)* certification.

WHAT IS AN MAE?

An MAE is a municipality committed to respecting the rights of children. Their views, needs, and priorities are an integral part of public decisions, policies, and programs.

In short, it is a municipality who thinks about the children in all its actions.

The purpose of the MAE program is to recognize the achievements and intentions of a municipality regarding the importance given to the child in the development of his service offer.

To date, in Quebec, 52 municipalities and one RCM have qualified for the *Municipalité amie des enfants accreditation*.

Pincourt is the first town in the MRC de Vaudreuil-Soulanges to have received this certification.

OUR COMMITMENTS

By signing the charter of the MAE, Pincourt undertakes, as part of its responsibilities, to support the implementation of the charter and to promote the development of projects for children within its municipality.

THE TOWN OF PINCOURT HAS COMMITTED TO:

- Include children in its next consultation aimed at setting up a citizen participation action plan. With the help of the *Maison de la Famille*, we plan to consult the children who attend Pincourt's three primary schools.
- Increase its Recreation and Leisure offering for its youth clientele (e.g., science courses, free gym, etc.) and hopes to introduce at least three new courses or activities to meet the needs of young people aged 7 to 14.
- Set up a parents' committee to oversee the offering of activities for stay-at-home parents or those on parental leave.

DEVELOPMENT

SUSTAINABLE

Public Consultation

In January, the Town of Pincourt held a public consultation on sustainable development.

This meeting was meant to lay the foundation for the Sustainable Development Policy to be adopted in the spring of 2019.

During the consultation, around 40 people were invited to express their views on:

- Sustainable development values relevant to Pincourt;
- Sustainable development orientations Pincourt should prioritize;
- Their vision for Pincourt in the next few years.

SURVEY

In February, you were invited to complete a survey based on the work done during the consultation.

The answers will help us to guide the future actions of the Town in terms of sustainable development.

Next step:

Write the first version of the politic.

Pincourt Cooperative Preschool Green Class

If you think only adults can take steps to change the fate of the planet, you're sadly mistaken. Even toddlers can do their part.

The Pincourt Cooperative Preschool (at the Omni-Centre) has set up a green class to make children aware of sound environmental practices.

Thanks to educators, children learn about the 3Rs, how to compost and where each type of waste goes, among many other things.

It's never too early to develop good habits.

What a great initiative!

WINTERFEST

Pincourt Winterfest was held on Saturday, January 26. As every year, many of you came along to enjoy some winter fun.

Here are some pictures taken during that day.

SOCIAL AND CULTURAL DEVELOPMENT
