3. Submitting Your Grant Application

Important - Attach the following documents to your application:

1. Current year's municipal tax bill, a copy of the current property assessment roll, or the deed of acquisition.
2. Original quotes and invoices from the plumber who performed the work, clearly stating the cost of the eligible backflow prevention devices, including the model and part number, labor costs for installation, and applicable taxes. It is recommended that you keep a copy of the quotes and invoices for your records.
3. The contractor's declaration (on the reverse of the grant application), duly completed and signed.
4. A copy of the contractor's valid license (or RBQ number).

4. Owner's Signature and Declaration

- 1) I acknowledge that I have read and understood the obligations and requirements described in the program summary attached to this application.
- 2) I acknowledge that the Town's grant offer for installing residential backflow prevention devices is part of a general program, unrelated to any previous event, and does not constitute an admission of liability by the Town of Pincourt regarding past sewer backflow flooding of my residence.
- 3) I acknowledge that by participating in the grant process, the Town of Pincourt cannot guarantee the effectiveness of any backflow prevention device installed, and it cannot be held responsible for any malfunction, regardless of the cause, including:
 - i. Inadequate or inappropriate maintenance by the owner;
 - ii. Incorrect installation;
 - iii. Any modifications made by the current or future owner;
 - iv. Failure to disclose maintenance requirements to a future owner;
 - v. Device failure;
 - vi. Power outages.
- 4) I understand that I will be eligible for the grant if all required criteria are met, and the backflow prevention devices have been installed by a licensed plumber according to the applicable regulations.
- 5) I understand that any amount owed to the Town (taxes or otherwise) will be deducted from the grant.
- 6) I acknowledge that a representative of the Town of Pincourt may visit the property and obtain information about the property in question from any source, and a post-work inspection must be completed before issuing the certificate.
- 7) I acknowledge that the Town does not assume any liability for backflow, even after the work is completed, due to the grant provided for acquiring backflow prevention devices. Moreover, I acknowledge that by granting a subsidy, the Town does not certify that my installations comply with municipal regulations.

I declare that I am the property owner and certify that the information provided in this application is true and complete. Any applicant providing false, inaccurate, or incomplete information in the financial aid application will lose the grant's benefits and must repay it in full. I declare my consent for the Town to collect my information under this program, in compliance with applicable laws and the governance policy on confidentiality and personal information protection.
