An unforgettable adventure for four young people from Pincourt

On **October 22nd**, nearly **170 young people** had the incredible opportunity to embark on a **magical 24-hour journey to Walt Disney World in Florida**, thanks to the **Voyage de Rêves-Montréal Foundation** and the **generous support of Air Canada**.

Four young residents of Pincourt were nominated by the Town to experience this enchanting adventure, thanks to referrals from the territory's three elementary schools and the local food bank.

The **Town of Pincourt's Employee Community Assistance Fund also contributed to the cause** by financially supporting the annual golf tournament organized by the Friends of the Fondation Voyages de rêve-Montréal. This support, combined with the City's logistical assistance, significantly contributed to the fundraising efforts that were essential to the project's success.

"Seeing these young people experience such an extraordinary adventure reminds us of the importance of contributing to initiatives that benefit children. Thanks to our collective efforts, we were able to offer these children a day they will never forget. We are extremely proud of this," said Mr. Claude Comeau, Mayor of Pincourt.
