A WORD FROM
THE MAYOR

Dear citizens,

Once again this year, the summer season has been rich in moments of togetherness and new developments for our community. Firefighters' Day was a great success, and we had the pleasure of inaugurating two new pickleball courts. The synthetic soccer field at Chêne-Bleu has also been updated and improved for the benefit of all our athletes.

Improvement work is continuing from the 41st to the 44th Avenue, as well as 1st to 3rd Boulevards, to provide everyone with a pleasant and safe environment.

With fall just around the corner, you can look forward to a vibrant program of activities, workshops, conferences, and sporting events for all ages and tastes.

I would also like to take this opportunity to remind you of the importance of the Registry Program for Persons Requiring Specific Assistance, which aims to ensure the safety and well-being of everyone, especially in the event of a disaster. If you or someone you know could benefit from this program, please fill out the online form or contact Public Safety at 514-453-8981, ext. 203.

We look forward to seeing you at our fall activities!

SUMMER IN ACTION

Here are some photos of the projects and work that were completed this summer.

Art Pathway, near Trotter Park, between Edgewater Street and Bayview Street.

Inauguration of the 2nd Art Pathway

Last June, the Town proudly inaugurated the new Art Pathway, located between Edgewater and Bayview streets, under the theme **ART ZOO**.

A heartfelt thank you to the volunteer artists, the Design Committee; Mélanie Bergevin, Division Head - Leisure for the Town; the Public Works teams; and Vaudreuil Deputy, Marie-Claude Nichols for their invaluable contribution to this beautiful community project!

Inauguration of *Rêver Grand* mural

On June 13, The Town of Pincourt proudly unveiled its 4th mural as part of the Art Integration Program (AIP), at Notre-Dame-de-Lorette Elementary School. Titled *Rêver Grand* (Dream Big), this inspiring artwork by artists Madeleine Turgeon and Agnès Robin is visible from Cardinal-Léger Boulevard and celebrates the power of dreams, education, and culture. A heartfelt thank you to everyone who contributed to this beautiful project: the artists, the school administration, municipal council, Town employees, and Vaudreuil, Deputy Marie-Claude Nichols for their valuable support.

INAUGURATION OF THE BASKETBALL COURTS AND P-TOWN PROGRAMMING

In July, the Town inaugurated the basketball courts and launched of the P-Town summer program. As well as the presentation of the Podium project, a public artwork by Jean-François Leboeuf, made possible in part thanks to the support of the CACVS - Conseil des arts et de la culture de Vaudreuil-Soulanges.

Special thanks to SISO for the adapted basketball demonstration - an inclusive experience that everyone got to try! A big thank-you to the members of Town Council and the Recreation and Community Services Department for their invaluable support!

PODIUM PROJECT

Inaugurated on June 13, 2025, at the skatepark, the Podium project is an art installation by Jean-François Leboeuf, a multidisciplinary artist originally from Sept-Îles and now based in Vaudreuil-sur-le-Lac. A teacher of visual arts and multimedia, he has pursued an art practice rich in drawing, painting, photography, and installation since the early 2000s. Through Podium, the artist pays **tribute to amateur skateboarders**.

RECAP OF THE CULTURAL GETAWAYS

In May, several seniors' residences in the Town of Pincourt benefited from musical performances accompanied by a cultural mediation activity with artist Philippe Corriveau. These warm moments gave residents an experience they enjoyed and that deeply moved them.

« **Être en harmonie** » A project from Cultural Getaway, organized by Eleonara Nakova and Mélanie Bergevin from the Town of Pincourt in three residences: the Office municipal d'habitation, Pointe-aux-Renards, and Le Sapinois. Musical compositions were created during cultural workshops with the artist Philippe Corriveau. 2025 ©

IN THE ART OF SUMMER EXHIBIT

On July 7, the exhibit opening of In the Art of Summer was held. Artists, families, friends, and Town employees were present to mark the 2025 edition.

ARTS INTEGRATION PROGRAM

Starting in early November, the application form for the 2026 Arts Integration Program will be available on the Town's website.

For any questions, you can contact the project manager at 514 453-8981, ext. 230, or by email at s.grenier@villepincourt.qc.ca.

WORK on the football field (Chêne-Bleu High School)

The football field is getting a new surface. The old turf is being removed, and the new one is being installed. This work was carried out over the summer. Soon, kickoff on a new surface.

NEW PICKLEBALL COURTS

The new pickleball courts are open! Have fun!

Work in the 44th Avenue sector, 1st and 2nd Boulevards

Work is continuing from the 41st to the 44th Avenue, as well as 1st to 3rd Boulevards. This project includes the replacement of the water and sewer mains, some of which are outdated and require upgrading.

This modernization is essential to ensure the reliability of municipal infrastructure and to improve the services provided to residents.

NEW TRAFFIC COMMITTEE

If you believe that traffic-calming measures would be beneficial in your neighbourhood, please submit a request at circulation@ville.pincourt.qc.ca.

The committee will carefully review your request and, if appropriate, will carry out a traffic study in the area concerned, using tools such as speed analyzers, radar, and visual counts.

LED LIGHTING CONVERSION

This summer, the Town continued its LED lighting work by adding lights along the cycling path in Olympique Park, adjacent to Lussier Street.
